LESTRE ZAPANTA

Dog Behavior Expert

An expert on reading canine body signals and behaviors, Mr. Lestre Zapanta's methods are different from the ones used in traditional sit-and-stay types of training. That's why a lot of people seek his help because they know his training program is what they really need to modify their dog's bad behaviors. He regularly conducts Training For Dog Owners and has been invited to different parts of the country to do trainings and demos.

With 38,000+ fans on Facebook, he is currently the most sought-after dog trainer here in the Philippines. Aside from his training sessions, Mr. Zapanta is also actively involved in dog events, fundraisings, and TV guestings. This year alone, he has been invited to the following events:
